

December 2011

**I John 4:9 "In this was manifested the love of God toward us,
because that God sent his only begotten Son into the world
that we might live through him."**

"Guten tag," from Steve and Debbie Kissling, military missionaries at the Grace Baptist Church in Grafenwoehr, Germany. The Lord has given us a beautiful fall time here in the Deutschland, and the winter weather will be arriving soon. The services at Grace Baptist Church have been well attended and uplifting. People have been asking to help with cleaning the church and with working with the children's ministries, and this is answered prayer.

Many of our military families will be apart this Christmas because of soldiers serving in the war zones. Please pray for the safe return of those who are protecting our freedom. We have about 35 men who are deployed in Afghanistan currently from our church. Several ladies are going to have babies born in December and January. Please pray that the births will go well. Soon the nursery at our church will even be more busy!

As we close out 2011 and look ahead to 2012, we want to thank all of you that pray for us and give to us so that we may be able to serve the Lord in this needed ministry. Thank you for caring about our soldiers and their families. We want Grace Baptist Church to be a place where they can come to be helped and encouraged spiritually. Pray they will want to be sure of their salvation and have a desire to serve the Lord.

The children sing special songs for the grownups once a month. We are planning a special skit on the Sunday before Christmas. We want to wish all of you a very happy Christmas and also a great New Year ahead as we minister together to our U.S. Army men and women. Frohe Weihnachten! Merry Christmas! Auf Wiedersehen! Goodbye!
