

THE LUNDS

your missionaries to Costa Rica

March 2010

Dear Friends:

We praise the Lord for your prayers for the ministry to reach the lost souls and train servants here in San Carlos. God has

Sandra served as a camp counselor for teen camp and children's camp.

been developing the youth group in the church in Ciudad Quesada, and it is exciting to minister with almost 20 teens who meet each Saturday for their weekly activity. Sandra has learned to play the guitar, and she and two other teens prepare the songs for the teen meetings. Sandra is also one of the three leaders who plan the weekly activities and work to raise funds to attend camp in July and January. Recently the teens organized a one-day camp with 17 campers. Several made great decisions during that camp.

Sandra's group for teen camp

In addition to conducting the teen Sunday school class, this month Allen and Bella began a special teen Bible study on Friday nights using the *Experiencing God* series. The teens are faithfully doing their daily homework and expressing the Bible truths they are learning each week. May God raise up a powerful group of workers from these teens.

Allen leading the teen Bible study

Dinier is one of the teen leaders, and this month he accepted the challenge to go to Bible college to prepare himself for Christian service. He was accepted to study in the Bible seminary in Palmares, where Allen is a professor. Classes started in March, so Dinier packed his bags and moved into the dormitory to attend full-time. Thank the Lord that the folks in our Ciudad Quesada church are providing the \$200/month scholarship for his

room, board, and tuition. Pray for God's continued direction for his life. Allen has been training him to install the programs for the local BBN radio station, along with preaching to the teens.

Allen baptized 13 believers on December 13. In addition, the mission in Aguas Zarcas had a combined Sunday service in Ciudad Quesada and baptized four new believers. Our teens helped the people hold their first VBS with almost 20 children attending. The mission in Chachagua is continuing well and will soon grow out of the truck garage where we meet each Sunday afternoon.

Allen had an interesting birthday—he baptized 13 on the 13th! It was the best way to celebrate a birthday.

Thank you for your part in this ministry.

Gratefully,
The Lunds

Please help us reduce costs by receiving our letters by email. Not only will you receive your letter more quickly, it will come as an Adobe pdf file, which is suitable for both on-screen viewing or printing. To make this change, please get in touch with GFA at prayerletter@gfamissions.org.
