Dear Praying Friends,

Cléa & I at the BMM Candidate Seminar

The big news for us is that we have our tickets to Jamaica and they are paid for! Praise the Lord!

We leave 24 August 2010 at 8:35 AM. Please pray for us as we make the many adjustments to life in Jamaica as a married couple, and the other expenses we have coming as we prepare for the move. We will hit the ground running in Jamaica as we work with the church

plant with team leader and fellow BMM co-workers Cletis & Tammy Titus. Cletis wants the church to begin meeting in mid-September, and the official launch of the church is Sunday the 3rd of October. He has even secured a great location and good building for us to rent for the church. We want to be ready for that and also the beginning of the school year at Fairview Baptist Bible College.

We are in Cleveland, Ohio at the Baptist Mid-Missions Candidate School. Cléa is learning much about the core values, the policies and practices of the Mission.

It is a necessary step in our preparing to go to Jamaica in August. We met with the finance manager, and saw our support estimate increase. We had anticipated this for a bit. Our coworkers in Jamaica have requested us to raise additional funds for the church plant (\$200), and we saw our insurance costs and taxes also increase. Therefore, our support percentage is now at 92.7% with just a month & a half to go before leaving for Jamaica, but God is able. Please pray about

churches we've been to recently who are considering us for support. The best thing is we've already got our tickets! I can't wait to go back.

Serving Christ,

Ken & Cléa

I'm with new BMM Candidate Pastor Maxime Pierre-Pierre from Haiti, an experienced pastor & teacher. I'm hoping he can come to Jamaica some day!
