

Dear Praying Friends,

We made it back!

We arrived back in Uganda without incident about 5 weeks ago. All 28 of our check-ins also arrived in good shape (note: this has never happened to us before). We came back to Gulu and found Mr. Martin (assistant pastor) and the church doing very well. The church had even organized three gifts to give to us for returning. They were:

1. A wooden plaque welcoming us back
2. A bowl of simsim paste (a local favorite food)
3. A rooster

Building Project

We have begun the building project! The pit latrine and the storage room are completed, and the foundation for the residence is almost finished!

Ministry

We praise the Lord for the people who have been saved over the last five weeks. We have seen six adults, three deaf boys, and ten children all accept Christ as their Savior.

PO Box Scam

We have recently discovered that someone is trying to scam us. Evidently, they have stolen one of the keys to our PO Box here in Gulu. They have also written letters to some of our supporting churches asking them to send money to our PO Box. If you have received such a letter, please disregard. As always, when you make a donation to our ministry please send it to BIMl directly.

Prayer Requests

- Pray for wisdom in the building project
- Pray for health for our family
- Pray for more people to be saved
- Pray for wisdom as we deal with the PO Box scam.

Thanks for your prayers,

Nate, Sara, Andrew, Joseph, Susanna, and Caleb Wright!

PS. I forgot to mention that I have been busy getting the rodents out of the house. I'm currently at 2 rats and 1 bat.
